

Eliminate complex spreadsheets and centralise your entire grant process.

SmartSimple Cloud for Grants Management helps growing foundations eliminate complex spreadsheets, simplify collaboration with stakeholders, and streamline grant processes. Our end-to-end solution will transform how you manage grants, automate critical processes, and provide transparency, helping you deliver greater impact to the communities you serve.

Streamline processes

SmartSimple Cloud offers tailored modules that work for you. Manage grants, programmes, contracts and payments all within one solution. We help you track progress towards your impact and outcome goals whilst delivering targeted and automated communications.

Cloud-based

Automated

Simplify collaboration

SmartSimple Cloud simplifies collaboration across all stakeholders and areas of the granting cycle. Easily share and work on an application together. Keep grantees, reviewers, staff and other stakeholders up-to-date with notes, group emails, and zoom video integrations.

Secure

Cost effective

Eliminate spreadsheets

Have you outgrown the complex spreadsheets you use to manage aspects of your granting? SmartSimple Cloud eliminates paper and spreadsheets by centralising and automating your grants process, providing online portals for all stakeholders, and simplifying reporting.

Low code

Quick to set up
